Dear Basketball Parents,

As a volunteer organization, we welcome moms, dads, older brothers and sisters, grandparents, etc. to help out. We expect everyone to sign up for something. The areas we need the most help in is concession stand and scorebook. Please fill out the form below and return it to the secretary or your child's coach as soon as possible. You will be contacted shortly by the person in charge of the area that you are volunteering for to arrange specific dates and times for you to work. Those of you who volunteer for scorebook or time keeper, if not previously trained, will need to attend a special training meeting.

We understand that parents want to watch their child's game and we do not expect you to give that up. Unless otherwise requested, we will attempt to assign you to work during the games before or after your child's game.

Please remember that if your child's game is scheduled first on game day, we ask that you come one hour before game time to help clean and set up the gym. If your child is scheduled to play last on game day, we ask that you stay afterwards to help clean up. Also, families will be assigned to clean the gym floor during the season.
